# 2025 IMPACT REPORT

As we reflect on 2025, our growth and the scale of our impact at the foundation was truly sustainable and uplifted various communities and people.

We celebrate our beneficiaries, our amazing and key partners that saw us impact over 150,000 people. Together, we are building a more equitable and self-reliant future.

# Healthcare Highlights

The Foundation's impact in Healthcare was two-fold: infrastructure and capacity building.

**Ajegunle Borehole Commissioning (June 25):** New clean water infrastructure commissioned, guaranteeing clean water for over 30,000 residents. This project secured long-term public health benefits.

**Sickle Cell Nurses Training (October 24):** 50 nurses trained in specialized Sickle Cell Management in partnership with SAMI.

**Antenatal Nurses Training Program (December 18):** 50 nurses trained in advanced antenatal care protocols, directly contributing to reduced maternal and child mortality rates.

**Project Treat a Warrior (Ongoing):** In Partnership with Crimsons-Bow Sickle cell Initiative, we supported 715 registered Sickle Cell patients with free, specialized medical and psychological care.

**Free Genotype Testing:** In partnership with the Genotype Foundation, this essential preventive screening program impacted a combined total of **387 people across four testing cycles**, providing critical genetic knowledge and counselling.

# Education Highlights

The Education pillar actively bridged the digital divide and continued to invest in future generations.

**Pencils to Possibilities Drive (April 9):** The Pencils to Possibilities Drive reached over 2000 primary school children across Oshodi, Isolo, and Mushin LGAs in Lagos State, providing essential learning materials and reinforcing access to education in marginalised communities.

**Laptop Distribution Initiative (October 13):** 400 Laptops were distributed to junior and secondary school students, providing critical digital access and learning tools.

**Life After School (LAS) Summit 2025 (October 18):** This year, we equipped over 500 university students across seven tertiary institutions in Lagos with essential knowledge to enhance career readiness and employability, preparing them for workplace success and economic participation. The summit featured breakout sessions and provided access to school fees, sponsorships and laptops for several students.

**LAS Bootcamp 2025 (1–29 November):** We developed a four-week programme to further empower 220 final-year students who participated in the LAS Summit with skills to excel in the competitive job market. Laptops were also awarded to top-performing beneficiaries of the bootcamp.

# Employability Highlights

The Employability pillar drove economic empowerment and provided cutting-edge, market-relevant skills.

**Be Empowered (Lagos) Event (April 12):** Awarded **N65,000,000+** in grants to **20 women-led SMEs**; 154 women attended. This acted as a high-impact catalyst for entrepreneurship.

**Be Empowered (Abuja) Event (December 18):** Achieved a major milestone by launching the Abuja edition of the program. The event successfully hosted 100 participants and awarded grants to 21 beneficiaries.

**Noella Foundation Vocational Training (December 8th - December 15th):** Optimized program quality by utilizing expert partners (Felix Crown Fotografi and Redrick PR) to train **100 people** (50 in Photography, 50 in Digital Marketing) in cutting-edge skills.

**Skills to Spoon Graduation (September 9):** 120 students graduated from vocational training in partnership with Foodclique.

**Creative Bootcamp 2025:** The workshop excelled in both content delivery and participant experience impacting an average of 35. The blend of Design Thinking and Execution provided the technical foundation, while the deep dive into Storytelling provided the necessary skills for emotional connection and strategic communication.

# Hunger Eradication Highlights

The need for immediate relief was met robustly through social safety net efforts.

**Ramadan Feeding Sponsorship (March 1-30):** The Noella Foundation, in partnership with Food Clique, distributed over 90,000 cooked meals across 14 LGAs in Lagos State during the Ramadan season. From the first to the last day of Ramadan, the initiative fed over 3,000 men, women, and children daily across participating local government areas in Lagos State.

**Noella Foundation Food Outreach (May & August):** Our food outreach programmes impacted three communities this year, supporting over 2,000 individuals and families. These communities include Ikosi-Isheri LCDA, Ketu, and Agege.

The outreach aimed to provide food supplies to elderly, disabled, and other vulnerable members of the communities and to address food insecurity within these areas. We are honoured to contribute to the fight against poverty by providing essential food supplies and remain committed to addressing food insecurity.

# THANK YOU

**THANK YOU FOR BEING PART OF A  
2025 OF SUSTAINABLE IMPACT.**
